Re: *United States v. Pirouz Sedaghaty, et al.*; CR 05-60008 HO

Dear Judge Hogan:

Pursuant to the Court's request of April 16, following is a report on documents number 53, 90, 101, 135, and 137. The following items require rulings by the Court:

Document 53: A.5-20, 24-25, 27-28; B.4-10, 15-23, 26, 28-29.

Document 90: 31, 36-39, 40, 42-44, 46-47, 52-53, 55, 57-60, 62-63, 66, 68-71, 74.

Document 101: Mr. Sedaghaty understands there are discovery obligations and will respond to the government's request when and if he has any information that is required to be disclosed.

Document 135: Mr. Sedaghaty requires a ruling on this motion. He believes that consideration of this issue is entirely distinct from consideration of the government's discovery obligations. The material at issue here is defense-provided material to which the defense is entitled to have, and requires, access.

Document 137: 1, 2A.

Sincerely,

Steven T. Wax
Federal Public Defender
